

Adult School To Show Film On Color, Design

A free film and demonstration by a top specialist in color and design, Hazel F. Wiggins, will be held at Torrance Evening High School February 5 at 7:30 in room 108.

Author of the widely known "How To Paint on China," Miss Wiggins will use colored lantern slides to show how color and design can be applied in everyday life, and especially in china painting. A specialist in portrait and figure painting, Miss Wiggins will point out how people

with little or no experience can open a new horizon in this most fascinating art.

The practical value of descriptive and pictorial designs will be brought out. The value of color and design, proportion, rhythm, and emphasis in making a home more delightful, making ceramics pieces, or dinner sets will be demonstrated.

Students are invited to bring pieces of their old dinner sets, or knick-knacks, or small pieces of china as the basis for asking

for the solution of their personal problems.

All adults, regardless of residence, are invited to join this free adult education group. This demonstration is part of the china painting class of the Torrance Evening School of Adult Education. The class is held each Thursday night at the Torrance Evening High School in Room 202 at 6:45. Students planning to attend this class are asked to go directly to class to register.

Dept. Announces Softball Plans

With the present basketball program drawing rapidly to a finish, and baseball fever just beginning to show up in the local schools, the Torrance Recreation Department announces plans for a fully rounded softball program for the coming season.

Arrangements are being made for leagues to be established on each of the playgrounds under the supervision of the Department.

Four classifications of play will be offered for boys' competition: Pee Wee, 11 years and under; Midget, 12-13 years inclusive; Juniors, 14-15 years inclusive and Senior, 16-17 years inclusive. (For age classification purposes the age status of a player as of the third Monday in June will be the determining factor.)

League play is slated to start in all classifications on the second Monday in June and finish by the second Monday in September. However, a pre-season series of match games will be arranged immediately for the early birds.

All organizations doing youth work, such as church, service clubs, boy's clubs, Y. M. C. A., DAPS, C. Y. O., or others, are urged to take part in the program. Rules and Regulations governing play will be obtain-

able at the Recreation Office, 1347 El Prado Street, or further information may be obtained by phone, at Torrance 3146.

Firms or individuals wishing to sponsor or enter teams in adult or girls league play are urged to contact Elmer "Red" Moon, Director of Athletics, at the above address at the earliest date possible.

Firm Builds Here

Industry zone a special county permit is required at any location for drop forge operations.

CONCERN TOLD

Appearing in partial opposition was Attorney Edward Flam, representing the Pacific Fixture Company, who have a plant on adjoining property. He said his company was not concerned with the fact that a drop forge plant permit without some limitations puts on it might open the way in the future for some unpleasant reactions along the line of odors obtaining a clearance from air and dust. Jones explained he was pollution control authorities and that noise was certainly not a factor as his plant could not begin to make as much noise as the Columbia Steel plant, also located on adjoining land.

Ralph George Is Candidate For Bachelor Degree

Ralph Newton George, 704 Madrid Street, was one of 147 students at Santa Barbara College to be a mid-year candidate for a Bachelor degree. It is announced by Dr. J. Harold Williams, Provost. George majored in Economics.

Dr. Williams said that, in keeping with the tradition at Santa Barbara College, no formal commencement exercises will be held at the close of the current semester, which officially ended today.

All degree-winners for the entire year will receive diplomas at the annual commencement exercises in June, when President Robert Gordon Sproul makes the presentation.

School Concert

(Continued from Page One)

\$50,000, or maybe \$100,000.

"In the event of death or permanent disability to persons caused by these derricks falling down on heavily traveled streets or private property, some of the owners of these derricks may not be financially able to properly compensate the injured parties, and might therefore put an undue burden on the families and relatives of the victims.

"This liability policy should be required to cover any sump or open holes, wells, etc.

"If we can be of any assistance to you in this matter, do not hesitate to call on us."

Letters to the Editor

Editor's Note

All letters directed to the Editor will be printed under "Letters to the Editor," and must conform to the following procedure:

Length must be restricted to one typewritten page double spaced or they will be subject to censoring by the editor.

Letters may not contain libelous or material defaming any individual or group.

All letters must be signed, although names will be withheld upon request of author.

Letters must deal with local problems and happenings only. The Press is happy to cooperate with any individual or group in printing their views and opinions, but does not necessarily share any viewpoint expressed under "Letters to the Editor."

EDITOR, Torrance Press

Kindly give Mr. Rose the tickets for the show. I found my name in the paper.

I have enjoyed reading the Press and look forward each week for it to be printed.

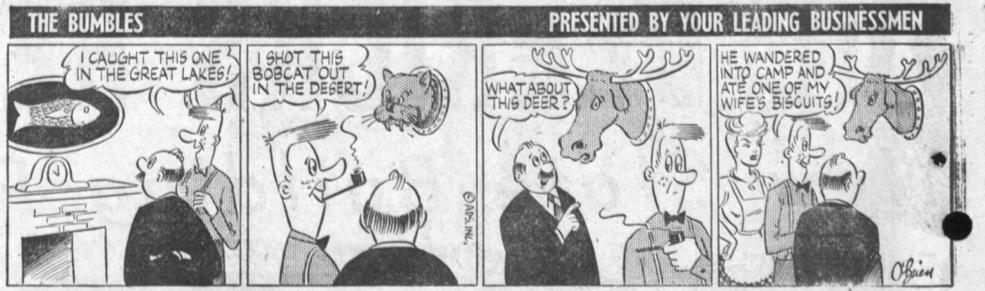

Mrs. Martha Carter, 2167 W. 250th St., Lomita, Calif.

South Torrance Sewer District Bids Opened

Bids on the South Torrance Sewer District was opened at the Jan. 23 meeting of the Council.

FREE SQUARE DANCE CLASS
A free beginning class in square dancing under caller Gerald Reeser, will be held in the Auditorium of the Torrance Elementary School each Tuesday night at 7 o'clock. The new semester will start on Tuesday night, January 30.

Those with little or no experience in square dancing are especially invited to attend. Couples, as well as single men and women, are equally welcome. There is no charge of any kind connected with this group, for it is sponsored by Torrance School of Adult Education, under the Torrance Unified School District.

Long an institution in the life of Torrance and surrounding communities, this class is basically designed to instruct people in the wide variety of square dance steps, so that they can later join more advanced groups—not only in Torrance, but in other areas.

All adults, regardless of residence, are invited to join this free class, by attending the next meeting on Tuesday night, January 30 at 7:30 in the Torrance Elementary School Auditorium.

More Than 100 Attend Civil Defense Meet
At a Civilian Defense meeting last Thursday night in the Council Chamber of the Torrance City Hall, more than 100 representatives from different local organizations attended. City Manager George Stevens told those present of the Civilian Defense preparations thus far made.

Also present at the meeting was the newly appointed Assistant Director of Civilian Defense, George Powell, and members of the City Council.

The block warden system was discussed at the meeting.

A preliminary block warden map will be prepared, said Stevens. Further information concerning the local civilian defense program will be released in the future.

El Camino To Offer Evening Photography Class
Photography for the amateur, a lecture and laboratory course designed for both beginning and advanced amateur photographers, will be offered as an evening class at El Camino College beginning February 1.

The class will meet on Thursdays from 7 to 10 p.m. Work of the course will be arranged to meet individual interests and needs and will include lectures, studio work, and laboratory experience.

Traffic Control Lights Asked
Traffic control lights at the corner of 182nd and Hawthorne Blvd. has been requested.

Adopted by the City Council Jan. 23 was a resolution to the Department of Public Works, Division of Highways, State of California, requesting the installation of the mentioned traffic lights.

First Realtor Meeting of Year Well Attended
Over 45 realtors and associate members attended the first meeting for 1951 of the Torrance-Lomita realty board on Friday, Jan. 26th at the Torrance City Hall.

President elect "Paddy" Ryan presided and a timely talk by Leonard S. Dyste of the Bank of America on "Real Estate Trends" was enjoyed by all.

A highlight of the meeting was the presentation of certificates to associate members, which included representation from local newspapers, banks, and other allied fields.
